**OFFICER OF AMERICAN JEWISH CONGRESS FILES
Suit Against Harassed Persecuted Defender
of Christianity and Americanism**

By **ELIZABETH DILLING**
(Box 659, Chicago, Ill.)

If you know Conde McGinley, personally, you know that he is an unassuming, even humble and devout Christian. He does not trumpet his Christian faith, he has put his all, his life and funds into practical service of Christ and His faith.

If you know anything about the Communist-Socialist movement, which has enslaved about half of the world's population through deceptive lies and promises, then by force and terrorism, you know that COMMON SENSE is doing the most far-reaching and most effective job against this Satanic movement.

THE AMERICAN JEWISH CONGRESS and its millionaire allies know this.

If you have made any study of mis-named "JUDAISM", thru my writings and photostats, you know that the "TRADITION of the PHARISEES", in written form, is the BABYLONIAN TALMUD. The TALMUD, which is a careful blasphemy and reversal of every moral law in the OLD TESTAMENT, is the criminal and anti-human law of so-called "JUDAISM."

Its principles are the veritable sewer which Christ likened to whited sepulchres, full of dead men's bones and all uncleanness. Hypocrites, liars, devourers of widows' substance, worthy of the damnation of hell—are a few of the excommunications Christ directed against Pharisaism. If Christ was a libeling character-assassin in thus designating all who held to Pharisaism, then He should have been sued, as Conde is being sued for LIBEL!

EITHER CHRIST LIBELED PHARISAISM OR HE WAS DIVINELY RIGHT:

But, the PHARISEES did not SUE JESUS CHRIST. They boast TODAY not only that they tried and convicted CHRIST before their Sanhedrin and connived to have Him CRUCIFIED, they teach TODAY in their TALMUD that He was worthy of FIVE deaths: they sink Him "in dung to the armpits" and strangle HIM; they sink HIM "in dung to the armpits" and pour boiling lead down His pried-open mouth; they stone HIM to death; they cut off His dear head; then they CRUCIFY HIM as a "blasphemer" of their Pharisee religion.

REVISED BIBLE A MARXIST FRAUD

(This is the second of a series of three articles
on the National Council of Churches)

By **Rev. Harvey Taylor**

An organization such as the National Council of Churches of Christ, which claims to represent 28,000,000 Protestants can be a tremendously effective instrument for either good or evil. In the last issue of COMMON SENSE, we exposed the atheistic, un-American activities of its parent organization, the Federal Council of Churches. At this time, we would like to point out the workings of the NCC and the caliber of the leaders who are representing (2) millions of unsuspecting Christians.

In "The Religious Newsweekly" (Jan. 26, 1953), NCC publication, we find an item concerning a recent conference on current affairs, held at New York's Grosvenor Hotel sponsored by the Council's Department of United Church Women. One of the topics under discussion was the current investigation of public schools. Miss Esther Stamats, director of Christian Social Relations for UCW, stated that the present attacks on public schools "strike at the heart of freedom and democracy." (Just as a reminder—the Communists, who are avowed enemies of freedom and democracy, ironically enough, are constantly rearing their ugly heads loudly protesting that these ideals are being tampered with. The reason is quite clear. Freedom and democracy provide clever shields behind which they can operate successfully.)

To return to the opposition of the NCC to the school investigations, it sheds an unfavorable pink light on their attitude toward Red elements in education. For the past few years informed parents, educators and anti-Communists have watched with growing apprehension the increased infiltration into our schools. Subtly these radical teachers have been inculcating Communist ideology into the minds of their students. It is, and has been, an extremely grave threat to our nation's security. There is no doubt but that the poisonous teachings which have been allowed to seep into our educational system must be checked immediately. But, the National Council feels that it is more dangerous to tamper with the freedom of these educators than to permit them to continue until they eventually destroy the freedom of all. (!)

In the same issue of the "Newsweekly", a report on a luncheon in honor of Dr. F. Ernest Johnson listed as one of the speakers, DR. SAMUEL MCCREA CAVERT, general secretary of the National Council. Dr. Cavert has been affiliated with the following subversive organizations: Fellowship of Reconciliation, North American Committee to Aid Spanish Democracy, "The Protestant", (cited as a communist publication by the California Committee on Un-American Activities) and War Resisters League.

HOW MANY WARS?

The following was broadcast on the radio by John T. Flynn, noted author and lecturer.

We have been hearing a great deal about graft in the United States. I think it is true that there has never been so much graft in American politics as there is at the present time. I also think it is quite proper for General Eisenhower to deplore the graft and the corruption. But strange as it might seem, I venture the opinion that the graft itself is a minor issue. We will never be bankrupt by graft in Washington. The graft doesn't add more than a few pennies to your taxes. The worst thing about the graft is not the money that it costs us, but the fact that grafters are governing us. It is a bad thing to have a corrupt man holding high office. He may make a few dollars out of it or a few hundred or a million through his graft. But the real injury he does us is not the dollars we lose but the fact that we have a corrupt mind ordering the affairs of a great city or a great state or a powerful bureau of the government.

General Eisenhower talks about the graft as something that is bankrupting the nation. The federal government has got enough money from taxes and loans to spend six or seven billion dollars a month. The amount of graft in that will be trivial—five thousand here, a couple of hundred there, ten thousand to some other grafter, a hundred thousand to some other grafting group—but all put together it doesn't amount to much. The graft is a bad thing because it is corrupt and is corrupting us and enables corrupt men to control and shape our destiny. But the thing that is slowly and now more rapidly taking us toward bankruptcy is the insane international policies of the present government. We are spending hundreds and hundreds and thousands of millions of dollars on these vast world programs of Washington. And that's what's taking us to bankruptcy.

When is all this going to stop? And who is there around that is really interested in stopping it? Now I bring this up because I read part of a speech made by General George Marshall in France recently. General Marshall was invited over there to speak at some memorial exercises commemorating the heroic sacrifices of a hundred and four thousand American boys buried in Europe. In the course of this speech he assured the people of Europe and the world that in the future the United States would be in every war that might be fought in Europe. Now I want you to get the full meaning of that. General Marshall pledged

—(Continued on Page 2)—

HOW MANY WARS?

—(Continued from Page 1)—

to the people of Europe that this country would be in every war that's fought in Europe in the future. And General Marshall represents a body of military men and politicians in this country, along with some business men, who are committed to that appalling program.

If you want to know what will bankrupt the United States, this is it—just one more European war. And that may not be necessary. All the grafters in all the administrations since the beginning of the country—including all the grafters in all the states and cities—all put together for a hundred and fifty years haven't stolen as much money as this wild international globalism of General Marshall and his military and political associates have cost us in this one year.

You know, I get a little fed up when I hear these men talking about our allies in Europe. In these wars which General Marshall is talking about, what side are we going to be on? Who are going to be our allies, and what are we going to be fighting for? These alliances are built on pie-crust. In the First World War, Germany, Austria and Italy were allies, bound together by the most sacred commitments. But when the war started, Italy tore up the contract and went in on the side of the allies. After the First World War, we began to hear for the first time on a large scale about this thing called collective security. France decided she would build a wall of allies around Germany. Germany—prostrate, torn by socialist revolution—was to be contained, as they say. France provided her military allies with equipment and loans. She went into debt to do so.

Now the United States is building collective security in Europe. Collective security for whom? Not for the United States, but collective security for Europe. Now it so happens that our newspapers and magazines maintain representatives in Europe and the pages of our papers and magazines are filled with their dispatches telling what's going on in Europe. Following them, I concede, is quite a chore. But one thing is clear from these reports, and that is that we have no allies in Europe. We have set goals for their military program. The goals are actually trivial. But not one of these countries shows any signs of meeting these goals in military preparation even though the United States is pouring out billions over there and providing them with the equipment.

In France, the interest now is to get the United States to stop giving them military equipment and give them money instead. Our administration is producing prosperity in this country by manufacturing military equipment and giving it to Europe. But the Frenchman says we want to make this equipment ourselves so as to put our people to work instead of the Americans; So give us the money and let us start the arms factories going over here. But of course our government won't do that. Our government wants to keep the arms factories going here—that's what is producing the jobs and making the prosperity in America. And the only interest the French have in this war business is to get us to give them the money instead of the arms so they can make jobs in the French factories.

Now I do not say this wholly in criticism of France or of Western Europe generally. France was in a hole. She's busted. Two wars and fifty years of creeping socialism have ruined her. She wants no more war and her statesmen know that if Russia wished to invade France and conquer France, Russia could do it in a few weeks time. Why doesn't Russia do it? Well, why should she. The Russian statesmen are students of socialist economics. They know that England, France, Italy—all the coun-

Yeshiva—wherever the so-called "Jewish" religion is taught, Christians are cursed and libeled as being lower than prostitutes, lower than those who breed incestuous offspring, lower than anything that lives.

BUT THIS LIBEL IS PERMITTED

TODAY, everywhere the so-called "Jewish" religion is taught, Christians are ALL consigned to everlasting HELL along with CHRIST.

BUT THIS LIBEL IS PERMITTED!

Why do the Pharisees, past and present, hate Christianity so sadistically? Because every teaching of Christianity is directly opposite to every teaching of so-called "Judaism". According to the teachings of the Talmud: A so-called "Jew" may always lie to, cheat, or kill a non-Jew.

According to the teachings of the supreme code of Pharisaism, the Talmud, grown men may always rape or commit sodomy with baby girls under three, may commit sodomy with little boys, with neighbors' wives.

THIS CRIMINAL TEACHING IS PERMITTED IN "CHRISTIAN AMERICA"!!!

Christ's teachings about little children, about everything, are like a red rag to a bull in the eyes of Pharisee rabbis.

CHRISTIANITY IS BEING SUED!

The suit against Conde McGinley and his militantly pro-Christian, pro-American paper is not against this humble man.

This suit is against every Christian.

It is aimed to prevent Christians from knowing the truth. And, as they know, and as Christ said, only the TRUTH can make us FREE (John 8:32).

As long as Christians can be duped into thinking that the conglomeration of demonism and criminal paganism which has been dressed up with the stolen name of "Judaism" is the parent of Christianity, so long will the Christian world continue its march to the liquidation camp, the torture prison, slave labor and the grave.

Christianity never sprang from the sewer of the baby-raping, lying, anti-human Satanism of the Pharisees!

Communism And "Judaism"

The ethics of Communism and Pharisaism are in all respects identical. Both advocate attractive approaches and promises to intended victims, followed by the iron clamp of dictatorship. Both blaspheme the Bible and utterly destroy its teachings. Both stand for the enslavement of mankind.

Communism conceals the fact that this enslavement is to be, as it has been everywhere and always, under the self-styled "Jew". This is ap-

parently after the iron clamp has been locked on. Communism carries out the Pharisee doctrine: "The Pharisee . . . held that only Israelites are men". This article in the Jewish Encyclopedia is reproduced in my compilation of 299 photostats as Exhibit 268. "Gentiles they classified not as men" (ibid). All non-Pharisees are: "People that are like an ass—slaves who are considered the property of the master"—the human beings or Pharisee "Jews" (Exh. 148) in the PLOT AGAINST CHRISTIANITY photostats.—(Order from COMMON SENSE, now \$2.00).

tries of Europe—are destroying their so-called free system. This suicidal tragedy is taking place before our eyes. They are all tumbling headlong into the abyss of socialism. In the government of France, those who are not socialists are either Communists or Fascists for the most part, though they may not call themselves Fascists. There is not a corporal's guard in the parliaments of any of these countries who is interested in this so-called free world that our demagogues talk about.

In the last few months in the United States, we have been hearing not only from some of our military leaders and some of our pink foundations, but from some of our strange political leaders about plans for enlarging American spendings all over the world. General Marshall pledges the people of Europe that they can count on us being in any war that is fought over there, though I am sure General Marshall has not the faintest idea of the kind of wars that will be fought in Europe, how Europe will line up or what we may be fighting for. We have in Europe a thing called NATO--the North Atlantic Treaty Organization state in the making. It has its army and its flag and its navy and we are paying most of the bills for that. It includes fourteen nations of Western Europe, the United States and Canada. But there are powerful interests and powerful leaders in both our parties running for office now who say that NATO is not big enough, hasn't got enough power and ought to spread all over the world, instead of the twelve nations of Western Europe. Do these men ever pause to think what this is doing to the United States--our inflation, our dislocations in labor, the eating away of our insurance and savings through inflation, the disturbance of our whole economic system, the piling up of a debt that will destroy us--and endless wars all over the world?

WORLD RULE by self-styled "Jews" is the goal sought. The Chad Gadyan-Passover song celebrates the time when one nation has devoured another until only "Israel" (meaning the false, phony "Israel" of Pharisaism) is left. The necessary forces for this purpose: "These are the throes of mother Zion which is in labor to bring forth the MESSIAH—WITHOUT METAPHOR THE JEWISH PEOPLE" (Exh. 147, ibid).

Any conspiracy which seeks to disenfranchise, despoil, enslave, kill if desirable, the bulk of the population of the world and of this country would ordinarily be closed up as a criminal affair. All through the centuries this has occurred periodically. Yet, you and I have been told and are continually told the lie that this was "Persecution of the Jews".

Will you help persecuted Christianity today?

The lie-dragged Christians of Europe have let their Cardinal Mindzerties and Archbishop Stepanics, their thousands of Protestant and Catholic clergy go to the torture, the prisons and the graves of Pharisaic Communism.

BUT WHAT ARE YOU GOING TO DO ABOUT OUR OWN BRAVE CHAMPION CONDE MCGINLEY?

The National Jewish Post (March 27, 1953) quotes Rabbi Joachim Prinz, the American Jewish Congress official who is suing Mr. McGinley as stating: "It's about time this scurrilous sheet was put out of business!"

ARE YOU GOING TO LET THEM FOLD

UP the leading anti-Communist Voice of Truth working for YOUR liberty, for YOUR country, fighting YOUR battle? THAT IS THE PURPOSE OF THIS LAW SUIT.

Just a year ago, Mr. McGinley finally made public the third attempt on his life by JEWRY. The May 1, 1952, edition of COMMON SENSE was headed:

"ASSASSINATION ATTEMPT ON EDITOR BY REDS — JEWS ANSWER TO CRITICISM — COMMON SENSE ATTACKED FOR THIRD TIME, TWO UNION BOYS BEATEN IN BRUTAL ASSAULT — Windows Smashed; Editor Escapes With His Life. As Jew Terrorists Strike! Jews Say They'll Kill McGinley and O'Brien, If One More Issue of Common Sense Published!"

This issue told of the two men, taken to be himself and his assistant, who were followed from his plant. They threw a rock through the windshield of the car, and beat the supposed COMMON SENSE principals with fists and skid chains, leaving them bloody and ready for the hospital. The smashings of the COMMON SENSE plate glass windows, the death threats by telephone and otherwise—if you have not read this issue, send for a copy!

Four bombs had been set off at the COMMON SENSE plant Oct. 31, 1951. The plant was attacked again March 4 and again June 3, 1952.

Eleven printers have been intimidated by organized Jewry. Next: Jews bought the COMMON SENSE building, and they were forced to move into new headquarters. To secure a long lease they were compelled to spend several thousand dollars to put the building into usable condition.

"A Free World" For Jews To Persecute

"Oh, yes. This is a 'FREE WORLD.'" Our sons are being conscripted to fight all over the world to "contain Communism" under the lash of Judaism! What is free about a country where Christianity cannot be defended from organized wealth and political power of the Pharisees? What is "free" about a country where a man can be bombed, threatened with death, his printers intimidated—a giant CONSPIRACY, A CRIME—then, instead of the perpetrators being brought to justice, they add SUIT to injury and calumny?

Matthew 10:38: "Take Up Your Cross"

I for one do not believe that justice is entirely dead in America. I believe that once you and others understand, that intimidated lawyers and courts will stand up, as the former did in the infamous Jewish "sedition trial", and show their gallant colors. THE BEST POSSIBLE ATTORNEYS MUST BE SOUGHT AND HIRED.

There must be money to bring WITNESSES; to pay for expensive court reporting; and all the tremendous costs which at least are absolutely impossible for MCGINLEY to meet at this time, of all times. He is tired, impoverished, but within him glows the EVERLASTING LIGHT, the LIGHT OF CHRISTIAN FAITH. He believes that, somehow, servants of Christ will be inspired to help him fight their battle. I know his "SECRET WEAPON". Give him your prayers in this ordeal. I saw what the power of PRAYER could do in the "sedition trial". It transformed the lawyers—Believe it or not!

"YOU WILL HAVE TO APPEAL FOR FUNDS," I told McGinley, "I had to do it or the 'sedition trial' would have been lost and with it everyone's liberty to be an American opposed to Com-

Cooperating with the perpetrators of one of the biggest frauds in modern history (the so-called Communist purge of Jews in Europe), the NCC through its "Newsweekly" (Feb. 2, 1953) violently denounced "anti-semitism" in Europe. The informed public knows only too well that this "purge" is but one of the many smokescreens used by the enemy to cause confusion and to enable them to carry out their atheistic plans. In any event, it is not surprising that the Council has taken this stand. Some of their biggest contributions come from Jewish and non-Christian sources. Much of its income remains anonymous but the Federal Council report in 1944 listed donations from the following Jewish funds: Edward L. Bernays Award, \$1,000; Edward A. Filene Fund, Inc., \$1,500; Anti-Defamation League \$500 each year; Nathan Fluegelman Memorial Fund, Inc.; Julius Rosenwald Fund \$2,000; Benjamin J. Rosenthal Foundation, etc.

Another item, not to be overlooked, in the Feb. 2nd issue of "Newsweekly" is the notice of the re-election of DR. RALPH W. SOCKMAN as president of the Protestant Council of the City of New York. Dr. Sockman is minister of Christ Church (Methodist), New York City. This man's un-American affiliations have included: American Youth Congress, Emergency Peace Mobilization and Fellowship of Reconciliation. He was also one of the signers of the "World of Tomorrow" poll—a vote in favor of socialism, increased inheritance and income taxes, and a "cooperative commonwealth" instead of capitalism.

Imagine the power behind a tremendous organization which has set itself up to represent millions of Protestants (although the great majority of these members have nothing to say fe-

garding its main issues and activities), while at the same time, it has diabolically and cleverly followed red trends, placed communist-minded men in top positions and finally has brazenly presented a distorted version of the Bible to the world.

NCC Influence Strengthened

Significant of even additional influence which the NCC will be able to exert is the fact that two of its biggest supporters now hold important government positions—John Foster Dulles, Secretary of State, and Henry Cabot Lodge, U. S. representative to the United Nations. Time Magazine (March 16, 1942) carried an article with reference to the FCC which included statements made by Dulles, then chairman of the Council's Commission to Study the Bases of a Just and Durable Peace. One of the more enlightening quotes by Mr. Dulles was the following: "The natural wealth of the world is not evenly distributed. Accordingly the possession of such natural resources . . . is a trust to be discharged in the general interest. This calls for more than an offer to sell to all on equal terms."

A more recent connection of John Foster Dulles with the National Council was shown when his speech was presented to a Denver meeting of the NCC a few months ago. Also on the platform was Henry Cabot Lodge and the Rev. James Robinson. As a missionary under the Presbyterian Church, U.S.A., Mr. Robinson has made a number of pro-communist speeches attacking the U. S. for its policy in China. It was during this meeting that Mr. Robinson was requested by the Department of State to turn in his passport.

Red Record of Translators

The records of the men who are responsible for the Revised Standard Version show them to be absolutely incapable and thoroughly unfit to deal with sacred writings. Six of them, LUTHER A. WEIGLE, chairman of the group which prepared

the translation, JULIUS BEWER, JAMES MOFFATT, WALTER R. BOWIE, FREDERICK C. GRANT and JAMES MULLENBURG are of the Union Theological Seminary, a well-known hotbed of radicalism.

WEIGLE has an impressive list of subversive affiliations to his credit of which we list a few: Committee on Militarism in Education, Co-ordinating Committee to Lift the (Spanish) Embargo, National Religion and Labor Foundation, and War Resisters League.

WALTER RUSSELL BOWIE'S connections leave no doubt as to where his sympathies lie: American Committee for Protection of Foreign Born, American Committee to Save Refugees, Church League for Industrial Democracy, Citizen's committee to Free Earl Browder, and others too numerous to mention. (These organizations have been cited as communist or communist-front outfits).

GEORGE DAHL, another "translator," was a sponsor of the Communist inspired so-called "Peace Rally" in Chicago, 1950, and signer of "Abolish the Dies Committee". Another of his co-workers on the Bible was LEROY WATERMAN, a sponsor of the National Council of American-Soviet Friendship and a member of "The American Committee for Democracy and Intellectual Freedom." FREDERICK C. GRANT—Citizens Committee for Harry Bridges. JAMES MOFFATT: Editorial Adviser of "The Protestant" (communist publication.) HENRY J. CADBURY: sponsor of American Rescue Ship Mission, called a "Communist Enterprise" by the House Un-American Activities Committee.

Space does not permit a more lengthy account of these men and their various Red affiliations. However the data furnished above is concrete evidence of their opinions and attitudes on things Christian and American.

Anti-Christian Writings

Some of the other books written by members of the Revision group reveal their complete disregard for the sacred truths which form the groundwork of Christianity.

EDGAR J. GODSPEED, in his book, "How to Read the Bible" (p. 147) has the following to say concerning Job: "We must think of the books of the Bible which are fiction, that is, short stories." How can we entrust the translation of the Bible to one who does not believe in its authenticity? Even more shocking is the statement made by MILLAR BURROWS in his book, "Founders of Great Religions (p. 217) concerning Jesus: "It is by no means certain that he considered himself the Messiah." To such a man, Christianity must certainly be a farce if he believes that its founder, Jesus Christ, was not even sure of the purpose of His life, sufferings, and bloody death on the cross!

On page 8 of "Jesus, What Manner of Man?" by HENRY C. CADBURY, doubts concerning the sanity of our beloved Saviour are blasphemously proclaimed: "Much of the most appreciative writing about Him (Jesus) runs the risk of putting him into the introvert class. Indeed, as is well known, the emphasis of orthodoxy upon his messianic claims and messianic consciousness led some psychiatrists to doubt his sanity."

If the record of the NCC was completely without blemish, the fact that they have sponsored a translation of the Bible by men of such convictions is proof enough of their anti-Christian aims and purposes.

(In our concluding article which will appear in the next issue of COMMON SENSE, we will show the drastic mutilations which have been made on the King James Version of the Holy Bible).

Eisenhower appointments have shown consistently that he is following directions from the International "Jewish" Sanhedrin, commonly referred to as the Invisible Government. With Conant, Bohlen, Luce, Stassen, Dulles, Warren, Aldrich, etc., as fronts for the Federal Reserve-Kuhn, Loeb-Lehman-Rothchild-Rockefeller Wall Street regime, the stage has been partially set. In this book of 80 pages, Senator Tenney has introduced factual story that many thought and talked about, but few have ever had any documented proof to support their claims. Senator Tenney, with his many years of experience ferreting out communists, communist sympathizers and other subversives, places before the public an undeniable expose that every real American should read.

After you have read the "ZION FIFTH COLUMN" then you will have a better understanding of what goes on in American political circles. Ike Appoints 2 Jews To Top Positions

By George Thomas Adams

The New York Times announced on Mar. 10, 1953, that Eisenhower had appointed Rear Admiral Lewis L. Strauss as special assistant to serve as "liaison officer on atomic energy matters. Strauss, a partner of Kuhn, Loeb Co., the New York banking house which financed the Bolshevik Revolution in Russia in 1917, is one of those Jews who have controlled the United States atomic energy program since its inception. He was on the Interim Committee in 1945, one of the first appointees to the U. S. Atomic Energy Commission in 1946, on which he served until 1950, and he has been the most important behind-the-scenes influence in the atomic program since then.

Rarely have the Jews flaunted their control of American life as they have in the atomic energy program. Dr. Alechsander Sachs of Russia, economic adviser to Lehman Brothers, the family banking house of Senator Herbert Lehman, headed the personnel program of the atomic energy program during the Second World War. Bernard Baruch was delegate to the United Nations Atomic Energy Commission. His alternate was John Hancock, partner of Lehman Brothers. The first head of the U. S. Atomic Energy Commission was David Lilienthal, who finally resigned after long Congressional inquiries into Communist affiliations. Lilienthal is now with Eugene Meyer's family banking house of Lazard Freres.

One by one Eisenhower is sneaking his old Jewish friends of London into important posts. As head of the American armies in Europe, he had with him in London James Paul Warburg, Captain Edward M. Warburg, and John Schiff, all related to or partners of Kuhn, Loeb Co. His selection of Strauss to be beside him was inevitable. He has already sent Dillon (Lapowski) of Dillon, Read banking house to France as our Ambassador. Since his Secretary of State, John Foster Dulles, actually has been the mastermind of Dean Acheson for the past four years, in his capacity as "Republican adviser to the Secretary of State," Dulles can be expected to continue the suicidal policies which he persuaded Acheson to initiate.

In some manner, Strauss became a Rear Admiral during the war, and was awarded

the Legion of Merit for his courage in Washington. Now he is president of the Institute for Advanced Study in Princeton, a comfortable set-up for such prominent Jews as Albert Einstein and Emmanuel Goldenweiser. The New York Times tells us that Strauss will take leave of his present position as consultant and financial adviser to the Rockefeller interests. He is a director of Rockefeller Brothers, Inc., and International Basic Economy Corporation, which Nelson Rockefeller founded with his staff from the Department of State. Now Nelson Rockefeller is to be the President's civilian adviser on defense, while his business pal Strauss advises Ike on atomic energy. The partnership between Kuhn, Loeb and the Rockefellers is not new. It goes back to the founding of the Rockefeller fortunes, when old John D. Rockefeller made the crooked deals with Jacob Schiff to get rebates on his oil, which was carried on railroads controlled by Kuhn, Loeb Co. This was the beginning of a happy and profitable marriage. Schiff guided John D. Rockefeller into a monopoly on the oil resources and distribution in America. The Rockefeller boys today are reminded of the debt they owe to Kuhn, Loeb Co., and so they call in Strauss to advise them on their affairs.

What can Americans look forward to when Eisenhower surrounds himself with such dangerous people? Every indication is that the Ike Administration is preparing to lead us full-tilt into a bloody and destructive world war which will make its two predecessors look like a picnic.

On March, 7, 1953, the New York Times announced that President Eisenhower was beginning to reconstitute the Council of Economic Advisers by appointing Arthur F. Burns, Professor of Economics at Columbia University, as a member and future head of that agency. Burns will replace Truman's head of the Council, a Jew named Leon Keyserling, whose wife was denounced on the floor of the Senate by Senator Joseph McCarthy for her Communist affiliations. The New York Times and President Eisenhower failed to let the American people know that a Jew was being replaced by a Jew. Arthur Burns, a Jewish radical from Columbia University, was born in Stanislaw, Austria according to Who's Who In America of 1952-53, son of Nathan and Sarah Burns, which was probably Bernstein. Arthur Burns married Helen Bernstein, and has two sons, David and Joseph.

He is on the editorial and advisory board of the American-Palestine Institute and has been very prominent in Zionist affairs. He was a close friend of Harold Stein, the first Communist to be fired from the United Nations. Stein also was an economist, a field which became the chosen profession for such radicals as Senator Paul Douglas and his close friend and colleague from the University of Chicago, Oscar Lange, now Ambassador to the United Nations from Communist Poland. When the Communists took over Poland, Lange renounced his American citizenship and joined the Polish Communists. Apparently this did not affect his relations with Senator Douglas.

In one week Eisenhower appoints two dangerous Jews as his personal advisers, Burns and Kuhn, Loeb partner L. L. Strauss. When will the American people wake up?

A Word To The Wise

Informed citizens who truly love their country and appreciate the great value of the Constitution of the United States are doing what they can to insure that we continue to enjoy Freedom under this Constitution.

Our Lord may call any of us any day, hence is it not proper and wise to provide in a will so that after we are gone this work will not suffer? The younger people do not realize the full importance of freedom. Wisdom comes with age. Few things are more important than providing advantages for the young ones until they are informed and aware of the enemies of freedom.

COMMON SENSE has dedicated itself to exposing and fighting the enemies of America for everyone regardless of race or religion. Funds are needed to reach more people with the truth.
